

OFFICE FOR EUROPE AND EUROPEAN INSTITUTIONS

TERMS OF REFERENCE

JUNIOR PROFESSIONAL OFFICER (JPO)

Position: Junior Professional Officer (JPO)

Section: Liaison with the European Institutions and other European Stakeholders

Location: Brussels, Belgium

BACKGROUND AND JUSTIFICATION

The Liaison activities of the UN-Habitat's Office for European Institutions aims to provide an added value to the overall work of UN-Habitat in its relations with European Union (EU) entities and bodies, the network of Member State Permanent Representations, the Government of Belgium, the Northern European bilateral donors, civil society organisations and think tanks that have established themselves around the EU. It also aims to support UN-Habitat's technical cooperation activities in launching and maintaining a productive policy dialogue with European Partners, advocacy and fund raising campaigns and mobilizing other relevant resources and support to the Programme.

In 2018-2019, The European Commission expressed readiness to step up the *cooperation with UN-Habitat and other UN entities in the urban dimension of Agenda 2030 and the New Urban Agenda*, to a ***strategic and coordinated partnership primarily based on sharing knowledge both inside the EU, and globally with third countries***.
